Continuity log

The single most common complaint parents make about ABA is turnover and cancellations. This sheet turns it into numbers.

Fill in one line per scheduled session. Two weeks per sheet. Keep every sheet.

DATE	SCHEDULED (MIN)	WHO CAME (INITIALS)	NEW PERSON?	ACTUAL (MIN)	CANCELLED BY (THEM / US / NOBODY)	MADE UP? (DATE)

Two-week totals

Scheduled minutes: ____ Delivered: ____

Percent delivered: ____%

Different people this period: ____ Cancelled by them: ____ Made up: ____

Why this matters

"Constant turnover" is a feeling. "6 of 10 sessions, 3 different people, 0 made up" is evidence. Put it in front of the company, the insurer, or the IEP team.
